

REACH Declaration of Conformity

Bad Bentheim, 10-06-2022

Dear Client,

We would like to make the following statement according The European Regulation "Reach" No. 1907/2006

TSC Gasfedern GmbH is a "downstream user" and therefore has no registration obligation under the REACH regulation

All raw materials we use are pre-registered by our suppliers along the supply chain under the REACH regulation and are used by us according to the determination of the supplier

At the moment, no case of use of dangerous Substances of Very High Concern (SVHC) is known above the specified concentrations, as defined in Article 57 and Annex XIV & Article 67 and Annex XVII (including all amendments).

We monitor any changes to this Policy and Appendices XIV and XVII and ensure that our products continue to comply with all future requirements and changes so that they can be used with confidence for now and in the future.

In case something will change, we will inform you immediately.

With Kind regards,

TSC Gasfedern GmbH
